

CELEBRATE PRESERVING HISTORIC OAK GLEN!

David Freeman, Interim General Manager of the Los Angeles Department of Water and Power (LADWP), will make an important announcement on Wednesday, March 10th, at 10 a.m. on the status of LADWP's proposed energy transmission corridor through Oak Glen at Los Rios Rancho in Oak Glen.

We believe there will be reason to celebrate after the announcement so The Wildlands Conservancy and the Oak Glen Apple Growers' Association are offering free apple pies and crisps to the first 200 people who RSVP by 5 p.m. March 8th and attend this event.

The Wildlands Conservancy and the Oak Glen Apple Growers' Association want to thank you for your hard work in helping to protect historic Oak Glen.
